

## My Exams

Use the My Exams page to view created exams, last test and study dates, create new exams, edit exams (🕒), and delete exams (✖).

The screenshot shows the 'My Exams' page. On the left is a dark sidebar with the 'EXAM MASTER OnLine' logo and a menu including 'Tutorials', 'Dashboard', 'Assignments', 'Create Exams', 'My Exams' (highlighted), 'CME Exams', 'My Stats', 'Flashcards', and 'Learning Modules'. The main content area has a header with 'My Exams' and navigation links for 'EMO Tutorial', 'Settings', and 'Logout'. Below the header are two tabs: 'Exams' and 'Practice Exams'. A table lists exams with columns: 'Name', 'Created', 'Last Test', and 'Last Study'. A 'New Exam' button is in the top right. The 'Psychiatry' exam is highlighted, showing '23 Q's from Psychiatry' and dates '2017-11-29 13:56' and '2017-11-29 14:17'. Edit and delete icons are at the end of the row. A 'Show Debug' link and copyright notice are at the bottom.

Clicking on an exam will expose the exam options:

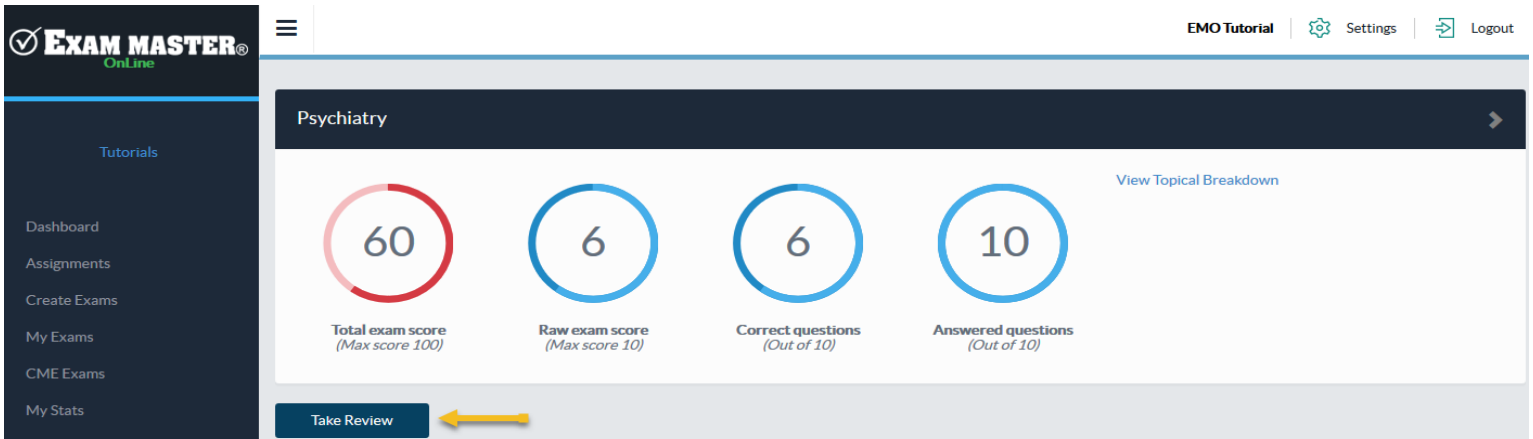

The screenshot shows the 'Psychiatry' exam options page. The sidebar is the same as in the previous screenshot. The main content area has a header with 'Psychiatry' and a right arrow. Below the header, it says '50 questions from Psychiatry' and 'Created: 2017-11-29 15:33'. A note states: 'When you start a new test from this exam your minutes will be set to 1h'. Three buttons are visible: 'Take Test', 'Take Study', and 'Take Learning'. A 'Back' link is at the bottom.

## Exam Modes

- **Take Test**
  - Select an answer choice, submit answer choice, and be auto advanced to next question (you must submit each answer selection to receive credit)
  - Click **Score** when you're done answering and submitting questions
- **Take Study**
  - Can be taken before or after test. Gives answer and explanation of answer. You will receive a score based on your submitted question selection.

- **Take Learning**
  - Follows same format as Study, except an answer choice does not have to be selected; Show Explanation can be selected right away for feedback on the question.
