

CME Getting Started Guide

Earn up to **10 AMA PRA Category 1 Credit™** while you learn

In partnership with

American Board of Urgent Care Medicine

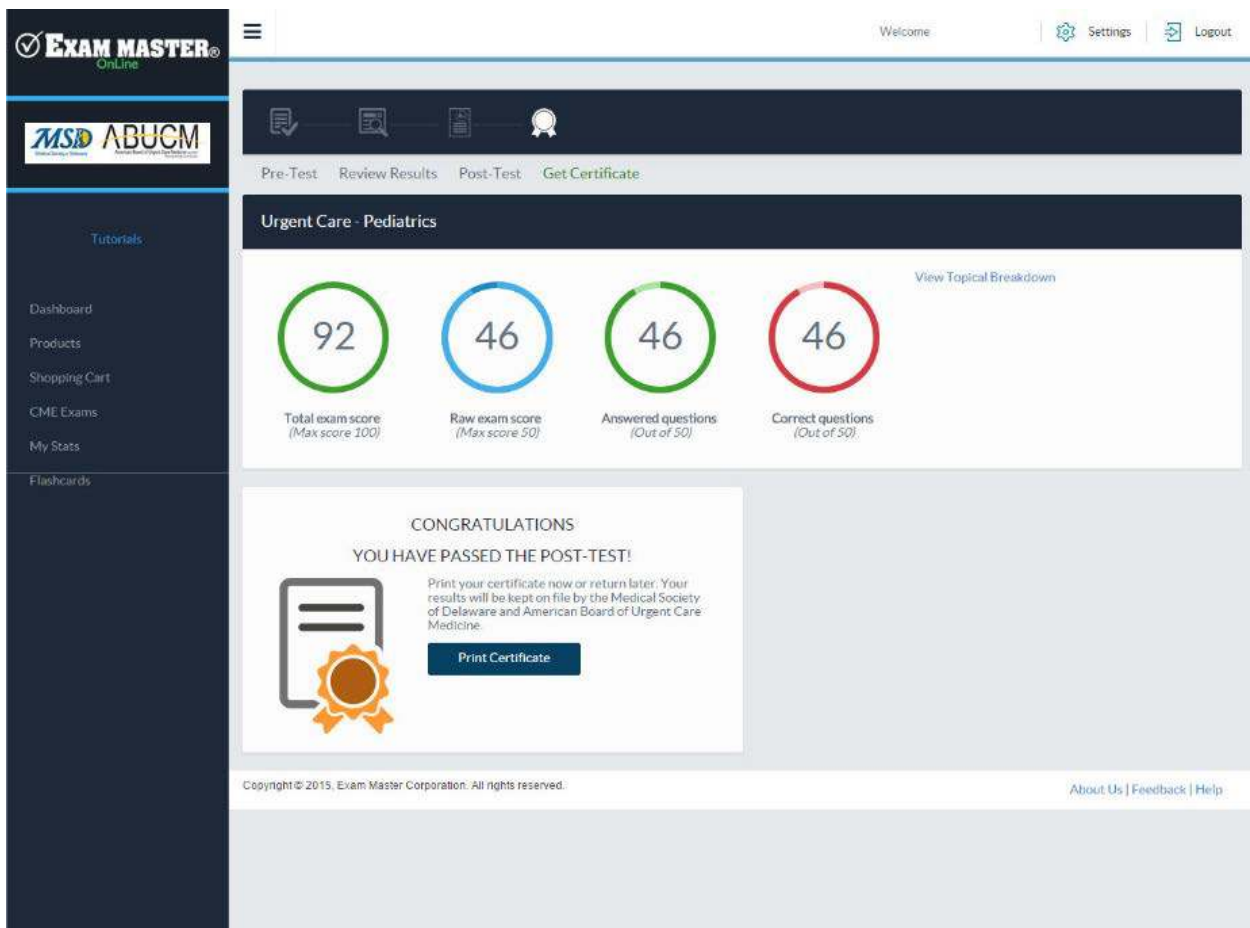

Medical Society of Delaware

Medical Society of Delaware
LEADING THE WAY TO A HEALTHY DELAWARE

Exam Master has partnered with the American Board of Urgent Care Medicine and the Medical Society of Delaware to provide a fast and effective CME program to help urgent care professionals improve their practices while earning AMA PRA Category 1 Credit™.

The screenshot displays the Exam Master OnLine dashboard. The left sidebar contains navigation links: Tutorials, Dashboard, Products, Shopping Cart, CME Exams, My Stats, and Flashcards. The main content area shows the exam results for 'Urgent Care - Pediatrics'. At the top, there are tabs for Pre-Test, Review Results, Post-Test, and Get Certificate. The results are summarized in four circular gauges: Total exam score (92/100), Raw exam score (46/50), Answered questions (46/50), and Correct questions (46/50). Below this, a 'CONGRATULATIONS YOU HAVE PASSED THE POST-TEST!' message is displayed with a 'Print Certificate' button. The footer includes copyright information and links for About Us, Feedback, and Help.

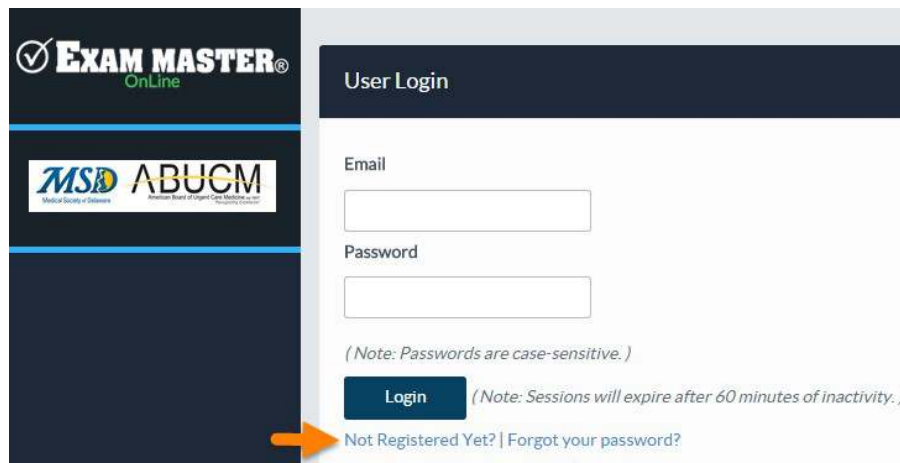

Metric	Score	Max Score
Total exam score	92	100
Raw exam score	46	50
Answered questions	46	50
Correct questions	46	50

How to Access CME Program

Webpage/URL: <https://urgentcarecme.myexammaster.com/login>

Existing users of Exam Master Advantage (our retail resource):

Please create a new user account to access the CME program. You can register with the same email address used previously.

The screenshot shows the 'User Login' interface. On the left is a dark sidebar with the 'EXAM MASTER® OnLine' logo and the 'MSD ABUCM' logo. The main content area has a dark header with 'User Login'. Below this are input fields for 'Email' and 'Password'. A 'Login' button is present, along with a note: '(Note: Passwords are case-sensitive.)' and another note: '(Note: Sessions will expire after 60 minutes of inactivity.)'. At the bottom, there are links for 'Not Registered Yet?' and 'Forgot your password?'. An orange arrow points to the 'Not Registered Yet?' link.

Existing users of Exam Master Online (available at institutions, hospitals, etc.):

Please create a new user account with a different email address from your institutional account.

All Users: Create a new user account (Click 'Not Registered Yet?').

Please fill out the registration form completely.

Complete Purchase Form

The screenshot shows a sidebar on the left with links: Shopping Cart, CME Exams, My Stats, and Flashcards. The main content area is titled 'Pay for your order' and contains the following fields: First Name, Last Name, Email, Card Number, Expiration Date (MM/YY), and a checkbox for CW. A 'Submit' button is at the bottom.

Click CME Exams to Get Started

The screenshot shows the 'CME Exams' page. The sidebar on the left includes links: Tutorials, Dashboard, Products, Shopping Cart, CME Exams (highlighted), My Stats, and Flashcards. The main content area is titled 'CME Exams' and shows a list of 'Active CME Exams'. There are four exam cards: 'Urgent Care - Chest/Abdominal/Bites/Pain' (In Review, Resume Exam), 'Urgent Care - EENT/Toxicology' (In Pretest, Resume Exam), 'Urgent Care - Pediatrics' (In Pretest, Start Exam), and 'Urgent Care - Pulmonology/Psychiatry' (In Pretest, Start Exam). A fifth card for 'Urgent Care - Chest/Abdominal/Bites/Pain' (In Pretest, Start Exam) is partially visible below. At the bottom, there is a section for 'Completed CME Exams'.

Choose **Start Exam** for new purchase

Choose **Review Results** for an exam which was previously paused.

To complete the program you must do the following for each module/exam:

1. Take Pre-Test
2. Review results in Review Exam
3. Take Post-Test
4. Minimum score of 80% required to earn certificate
5. If less than 80% achieved, you can review incorrectly answered questions and then take the Post-Test again until you achieve an 80% or greater.

Note: A certificate can be earned for each exam module. It is not necessary to complete ALL exam modules in order to earn your certificate. You may pause an exam in test or review mode at any time.
