Urgent Care and Primary Care Medicine Test – Study – Retest – Learn

Urgent Care Medicine continues to play an increasingly important role in the delivery of health care services. With over 20,000 practitioners operating in over 9,000 centers, Americans are increasingly choosing UC centers as an alternative to the Emergency Room.

With Urgent Care Medicine now serving a vital role in our health care system, Exam Master has partnered with the American Board of Urgent Care Medicine and the Medical Society of Delaware to provide a fast and effective CME program for Urgent Care Practitioners.

Perfect For:

- ✓ **Urgent and Primary Care Physicians**
- ✓ **Urgent and Primary Care Physician Assistants**
- ✓ **Urgent and Primary Care Nurse Practitioners**

Program Goals:

- Cover Important Topics UC Practitioners Need to Know
- Provide Opportunities for Self-Assessment and Learning
- Provide a Fast and Efficient Format for Earning CME Credit
- Make it Economical

Program Features:

- 250 Question Self-Test with Post-test to measure learning
- Review Mode including Detailed Explanations for each question
