

PA-CAT Study Resources Information and Instructions

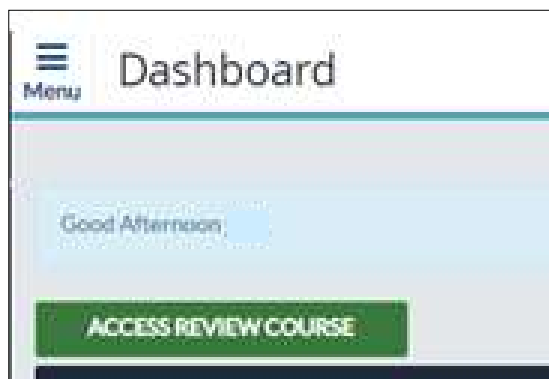

Log into your Exam Master account at *pa-cat.exammaster.com*

- Use the login information you set up previously after registering for your PA-CAT exam

The screenshot shows a login form with a dark blue header labeled 'Login'. Below the header, there are two input fields: 'Email' and 'Password'. The 'Email' field has a cursor inside. Below the 'Password' field, there is a note: '(Note: Passwords are case-sensitive.)'. A dark blue 'Login' button is positioned below the password field. Below the button, another note reads: '(Note: Sessions will expire after 60 minutes of inactivity.)'. At the bottom of the form, there is a link: 'Not Registered Yet? | Forgot your password?'.

Click the *Access Review Course* button

- This will automatically log you into another website (Thinkific) (do NOT create your own account!)

Video courses appear on your Dashboard under *My Courses*

- Welcome Instructions
- Time Management
- Physiology
- Microbiology Part I & II
- Critical Thinking
- Anatomy Part I, II, III & Supplemental
- *Coming Soon*: Biochemistry Part I & II

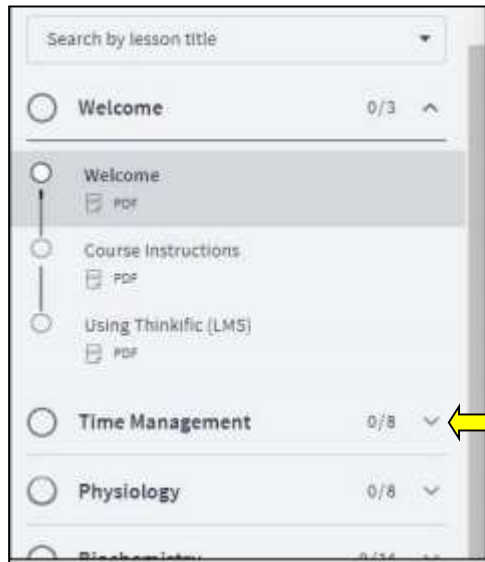

Access the Welcome Course first

- **Read through ALL materials**
 - Privacy Agreement and Terms of Use are provided here

Start Course

- The chapters are in the left navigation pane
- They can be opened by clicking the carat to the right (to close, click the carat again)

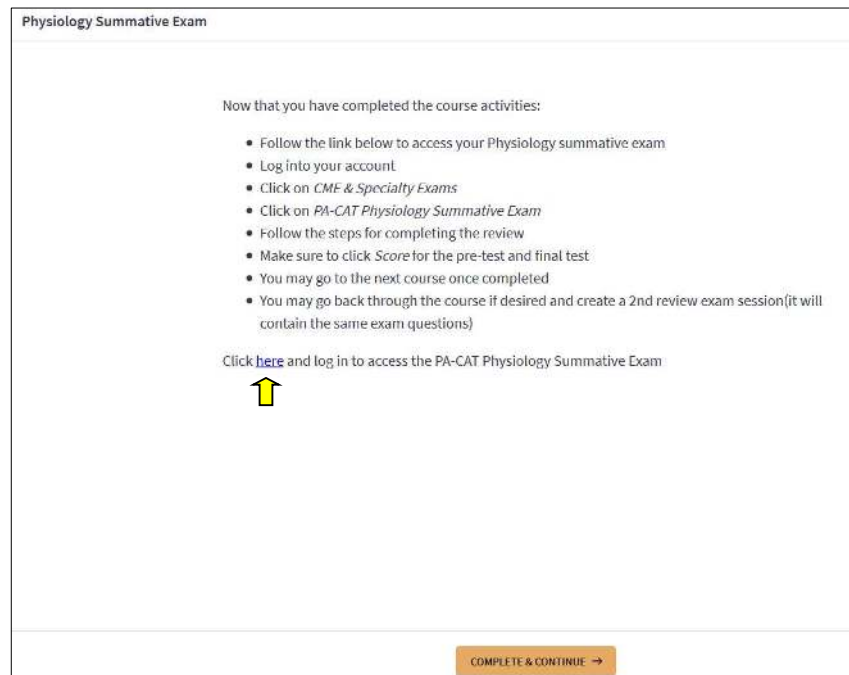

- When you complete the lesson, click **Complete & Continue**
- Use the navigation pane to go back to any section
- Click **Go To Dashboard** at the top of the navigation pane to return to the full course selection
- You may go back at any time to redo any course
- If you have any questions about accessing the course material, contact Customer Service at customerservice@exammaster.com
 - **Be sure to include:**
 - The *exact* error message received
 - What is/isn't happening
 - A screenshot of the error including the url
 - Your name and email address that you used to create your account

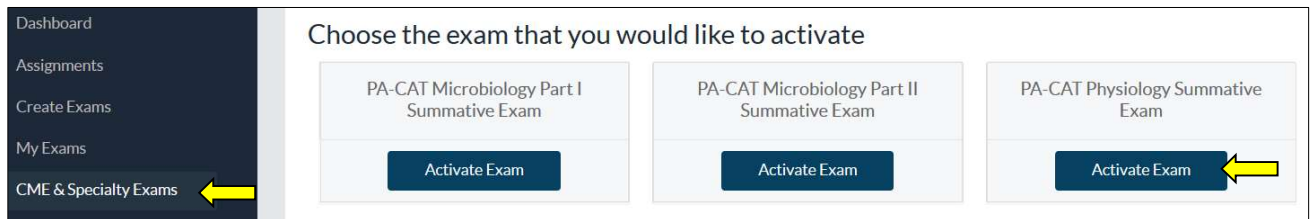

Accessing the Summative Exams

- Each course will have a summative exam to take upon completion (exception: Critical Thinking and Time Management)
- There will be a link to access the exam provided once you complete the course.
 - Click the link
 - log into your account

- Click **CME & Specialty Exams** tab on the left navigation to locate exams
 - Exams are titled based on the Course. The appropriate exam is listed in the course.

- Make sure to read ALL instructions before taking the exams
- Exam is structured with 3 steps
 - Pre-Test
 - Go through the test and answer every question
 - Click **Score** when done
 - Review
 - Click through EVERY incorrectly answered question and view the explanations
 - Post-Test will not be available until all incorrectly answered questions are reviewed
 - Click **Finish** when done
 - Post-Test
 - Go through the test answering every question
 - Click **Score** when done
- Scores available in **My Stats** (see additional instruction document)
- Once completed, that test session cannot be accessed again. A new test session must be created, and the process started over.

Click the **Access Review** Course button on your Dashboard to go to the next course.
