

Exam Master®

Pre-Health Study Resources Information and Instructions

Log into your Exam Master account at advantage.exammaster.com

- Use the login information you used to register your account (email and password).
 - If you don't remember your password, click *Forgot your Password*

The screenshot shows a login form with a dark blue header containing the word "Login". Below the header, there are two input fields: "Email" and "Password". The "Email" field has a cursor in it. Below the "Password" field, there is a note: "(Note: Passwords are case-sensitive.)". At the bottom of the form, there is a dark blue button labeled "Login". Below the button, there is another note: "(Note: Sessions will expire after 60 minutes of inactivity.)". At the very bottom, there are two links: "Not Registered Yet?" and "Forgot your password?".

Click the **Access Review Course** button

- This will automatically log you into another website (Thinkific) (**do NOT create an account!**)

Video courses appear on your Dashboard under *My Courses*

- Welcome Instructions
- Time Management
- Math
- Biology
- General Chemistry
- Organic Chemistry
- Physiology
- Biochemistry Part I & II
- Microbiology Part I & II
- Anatomy Part I, II, III & Supplemental
- Critical Thinking

Access the Instruction Course first

- **Read through ALL materials**
 - Privacy Agreement and Terms of Use are provided here

Start Course

- The chapters for each course are displayed in the left navigation pane
- They can be viewed by clicking the carat to the right (to close, click the carat again)

- When you complete each lesson, click **Complete & Continue**
- Use the navigation pane to go back to any section
- Click **Go To Dashboard** at the top of the navigation pane to return to the full course selection
- You can go back to previously viewed lessons and courses as many times as needed
- If you have any questions about accessing the course material, contact Customer Service at customerservice@exammaster.com
 - **Be sure to include:**
 - The *exact* error message received
 - What is/isn't happening
 - A screenshot of the error including the url
 - Your name and email address that you used to create your account

Accessing the Summative Exams

- Each course requires that you take a summative exam upon course completion (exception: Critical Thinking and Time Management)
- The link to access the exam will be provided after you complete the course
 - Click the link
 - log into your account if you were logged out (the account used to access the course)

Physiology Summative Exam

Now that you have completed the course activities:

- Follow the link below to access your Physiology summative exam
- Log into your account
- Click on *CME & Specialty Exams*
- Click on *PA-CAT Physiology Summative Exam*
- Follow the steps for completing the review
- Make sure to click *Score* for the pre-test and final test
- You may go to the next course once completed
- You may go back through the course if desired and create a 2nd review exam session (it will contain the same exam questions)

Click [here](#) and log in to access the PA-CAT Physiology Summative Exam

COMPLETE & CONTINUE →

- Click **CME & Specialty Exams** tab on the left navigation to locate exams
 - Exams are titled based on the Course. The appropriate exam is listed in the course.

Choose the exam that you would like to activate

Pre-Health Anatomy Part I Summative Exam Activate Exam	Pre-Health Anatomy Part II Summative Exam Activate Exam	Pre-Health Anatomy Part III Summative Exam Activate Exam	Pre-Health Anatomy Supplemental Summative Exam Activate Exam
Pre-Health Microbiology Part I Summative Exam Activate Exam	Pre-Health Microbiology Part II Summative Exam Activate Exam	Pre-Health Physiology Part II Summative Exam Activate Exam	

- Make sure to read ALL instructions before taking the exams
- Exam is structured with 3 steps
 - Pre-Test
 - Go through the test and answer *every* question
 - Click **Score** when done
 - Review
 - Click through **every** incorrectly answered question and view the explanations

- Post-Test will not be available until all incorrectly answered questions are reviewed
- Click **Finish** when done
- Post-Test
 - Go through the test answering *every* question
 - Click **Score** when done
- Scores available in **My Stats** (see additional instruction document)
- Once completed, that test session cannot be accessed again. A new test session must be created, and the process started over.

Click the **Access Review** Course button on your Dashboard to go to the next course.

Accessing the Capstone Exam Certificate

After you complete all course material

- Click Capstone Exam Course
- Follow the link and access the same as the summative exams
- Complete the Capstone exam same as the summative exams
- Score an 80% or higher on the exam to obtain your certificate of completion
 - If less than 80% is achieved, go through the review process again, then complete the posttest until 80% or higher is achieved on posttest.
- To access the certificate of completion click on CME & Specialty Exams in your account
